

CONSTRUCTION UPDATE

SATURDAY, JANUARY 30 • 9:30AM

ZOOM ID: 845 0098 5681

The Los Angeles County Sanitation Districts have begun construction on the Clearwater Project—a project that will protect local waterways by addressing aging sewer infrastructure. Above-ground construction will be primarily limited to the southwest end of our Joint Water Pollution Control Plant and at Royal Palms Beach.

Please join our virtual construction update to learn about:

- ✓ **The new 7-mile long tunnel being constructed using a modern tunnel boring machine (pictured)**
- ✓ **Completed and upcoming construction activities**

For more information, please visit our website, follow us on Facebook, or contact Glenn Acosta at gacosta@lacsds.org or (562) 908-4288, ext. 2304.

Meet Rachel, our tunnel boring machine.
