2024 San Pedro Homeless Count

HOW IT WORKS

- In January, you'll receive an email asking that you watch a short on-line training video. It contains important information on what to look for and how to log your sightings so please watch it [prior to attending the Count.](#)
- After checking in at the site, we'll form teams of 2-4 that will then drive all the roads in their assigned census tract in one vehicle.
- You'll just be tallying how many unhoused people you see – keeping a respectful distance from them.
- When your team has finished, you'll return to the deployment site to check out and return the supplies you were provided.

YOUR HEALTH AND SAFETY ARE IMPORTANT TO US!

We will be in close contact with the County's Department of Public Health and following any COVID protocols that may be in effect at that time.

To ensure your safety

WE STRONGLY ENCOURAGE YOU TO IDENTIFY FRIENDS OR FAMILY MEMBERS WHO WILL BE ON YOUR TEAM.

Beginning a few weeks before the Count, we'll be asking you via email to let us know ahead of time who's on your team.

Knowing this will greatly speed up your check in-time.

Thank you in advance for having all your team members preregistered!
